## Wurzburg American High School Alumni Association

### A Brief History

Back in 1988, I purchased my first computer. After learning how to create form letters, one was sent to about 8 old friends that I had kept in contact with over the years. From these letters, more alumni were found and the US Edition Howler newsletters were created and mailed to everyone on the mailing list. The list grew and grew. Next thing you know, I'm in Orlando hosting the first Würzburg "All-Class" Alumni Reunion.

This inspired me even more, so when Stan Gay told me about websites, I just had to have one. After fumbling around in AOL for a while, I decided to find a web host provider to host my own site. I also decided to name this new site appropriately, and WurzburgWolves.com was created! It's just grown and grown since then.

I'd like to thank so many of you for helping me along the way. All of your generous donations have kept the website up and running and I couldn't have kept this up without your support and friendship. THANK YOU!

You're attending the 6th "All-Class" Alumni Reunion that I have hosted and I don't see an end in site. I'm already thinking about the summer of 2012!

If we haven't met, please make it a point to track me down and introduce yourself! I'll be the guy running around trying to make sure everything is going right, so just look for the guy that looks "totally frazzled!"

Thanks for joining us and I hope you have a wonderful time at the 2009 Würzburg "All-Class" Alumni Reunion.

I hope you have the "time of your life!"

Your friend,

Bob Manwaring  
WAHS Bi-Centennial Class of 1976
